

**The Council of European Geodetic Surveyors**  
**Comité de Liaison des Géomètres Européens**

# **Bucharest General Assembly**

**7 April 2010**

**Evaluation of the directive on the  
mutual recognition of professional  
qualifications**

# Start of the evaluation process

- **2005 : adoption of the directive on the mutual recognition of professional qualifications**
- **2010 : start of the evaluation process**
  - **March 2010 : 1<sup>st</sup> meeting in Brussels**

# What is the purpose?

- **To scrutinize the implementation of this directive at the national level**
- **To see whether the actors, meaning regulated professionals, are satisfied with the concrete application of the disposals of this directive.**

# Main issues

- **Initial training and CPD**
  - **Professional cards**
  - **Third countries diploma recognition**
  - **Common platforms**
  - **Language requirements**
- 6 issues to be raised by European associations

# The Commission's roadmap

- **2010 : beginning of the evaluation process**
- **2011 : debriefing**
- **2012 : proposal for a new directive**

# Question

- **Bad or good news?**

# Great opportunity indeed!

- **It is a great opportunity for CLGE to be better known and recognized at the EU level**
- **It is also a great opportunity to have our interests and specificities taken into consideration in this new directive and in general for upcoming legislation.**

# To sum it up

- **A new directive is under preparation**
- **Let's have a say in our future legislation!**
